Trip Forms

With your full payment, we require the following documents:

- Copy of passport
- Copy of flight schedule to and from Mongolia
- Copy of emergency evacuation insurance

- Signed [liability release](#)

Medical Evacuation Insurance

Emergency Evacuation Insurance is required for your own safety and well being. We require a copy of the insurance information before your departure for Mongolia. There are many different companies and plans. Please let us know if you need assistance choosing one.

Travel Protection

Travel Insurance is highly recommended to protect you before and during your trip. Trip insurance can help with reimbursement of non-refundable and unforeseen expenses. Because we start planning and incurring expenses for your trip as soon as we get your deposit we are not able to give refunds if you cancel your trip. For short trips like this one can often find insurance that combines both Emergency Evacuation and Travel Insurance. Please contact us if you need assistance or recommendations.

Single Supplement

You can stay in a single-room in UB and Olgi for a supplement fee. Please let us know if you are interested in this upgrade.

Extended Stays

If you are considering extending your stay in Mongolia on either end of the trip dates, please make sure you are in UB on the necessary dates. Please notify us know of your plans so we can coordinate with any other parties as needed. We can arrange additional nights at the same hotel in UB where we will be staying for your convenience. Please talk to us about options.

Flights to Mongolia

When booking your flights please triple check your arrival and departure dates. Travel in both directions can include multiple calendar days. The easiest cities to fly through on the way to UB are Seoul (ICN) and Hong Kong (HKG). There are also flights through Beijing, Russia and Turkey. Book your flights as early as possible to get the shortest trips, through the easiest ports, at the best prices.

Please do not purchase airfare until the dates and trip is confirmed with the minimum number of participants.

Itinerary/Schedule

While we do our best to follow the details of the itinerary, our travel itinerary is subject to changes and delays at anytime for reasons out of our control including transportation issues, weather, swollen rivers or other unforeseen and unavoidable circumstances. Whatever happens must be viewed as a part of the experience. The greatest gifts from Mongolia can come from the process of letting go.

Travel Details

Passport and Visa

Everyone traveling to Mongolia will need a passport with a minimum of six months validity. American citizens do not need a visa. However, Americans staying more than 30 days, you will need to “register” during their first 7 days in the country. If you are planning on doing this, you will need a

passport size photo and to notify FIRE so we can assist you. If you are only staying for the dates of this trip, you will not need to register.

Vaccinations

Mongolia does not have any required vaccinations. Your doctor or medical practitioner may advise the following immunizations: Diphtheria, Hepatitis A, Hepatitis B, TB, Tetanus & Typhoid. Some may also advise to have vaccinations against rabies.

Arrival in Mongolia

When you arrive in UB, to Chinggis Khan International Airport, a FIRE representative holding a sign with your name on it will meet you and you will be transported to our hotel. The drive to the hotel could take 30 minutes to two hours depending on the time of day you arrive.

Hotel and Lodging

In UB you will be staying in shared rooms at the Blue Sky Hotel and Tower <https://hotelbluesky.mn/>. This hotel is located in the center of UB, directly across from Sukhbaatar Square and within walking distance to most sites in UB. A single room can be provided for an additional charge.

Upon leaving UB you will be staying in private gers (yurts) in Bayan-Olgii next to the families we are visiting. There will be 2 - 4 people per ger. The final night in Bayan-Olgii will be at Makshum Hotel, Olgii's newest and biggest hotel, with shared rooms. A single room can be provided for an additional charge.

Food

Please let us know if you are a vegetarian, vegan, gluten intolerant or have any other food sensitivities.

In UB, breakfast is a buffet conveniently located inside the hotel. A couple of additional meals will be in UB will your choice at one of the other restaurants in the hotel. You can learn more about the restaurants located in Blue Sky Hotel here. <https://hotelbluesky.mn/dining/> The remaining meals in UB will be at different Western restaurants with a great variety of high quality food, as we travel around the city.

In Bayan-Olgii, our group will have a personal chef(s), kitchen/dining ger for our meals. We will have three meals a day - breakfast, lunch and dinner. Breakfast is western-style with porridge, eggs, bread, sausage, butter, jam, honey and variety of drinks including hot and cold juice, tea, and french press coffee. Lunch will generally be a pack lunch with dessert. Hot and cold drinks will be available.

Dinner will be three courses with soup, a main dish, and desert. Hot and cold drinks will again be provided. The main dish will sometimes include a salad. This will usually be western style, with an occasional Mongolian dish to mix it up. Snacks and water are available at anytime and anywhere as long as our support vehicle is nearby.

The final dinner and breakfast in Bayan-Olgii will be at Makshum Hotel in Olgii.

Transportation

Between UB and Olgii, we will be flying a local airline. Please note, Airlines in Mongolia are well known for last minute schedule changes which are out of our control. Patience and a sense of humor come in handy.

In UB, our vehicles will be large vans. In Bayan-Olgii we will be traveling in Russian Furgons. On days when we will be out all day on horseback, there will be vehicle support within radio distance, ready with snacks, drinks, your day packs, and for any emergency.

Luggage

Any kind of luggage is manageable, from backpacks to roller suitcase. Most international flights originating in the US will allow for at least 2, 50-pound bags. Air travel in Mongolia has a baggage limit of 22 pounds (10 kg). Each additional 2.2 pound (1 kg) will cost roughly \$1.20. (1 kilogram = 3,000 MNT).

Toilets, Showers and Laundry

Of course, you will have a nice and comfortable bathroom in your hotel room in UB. Around UB you will also have mostly comfortable toilet facilities. Toilet paper can be difficult to find in the “off the beaten path” sites we might visit, even in UB.

Once in the countryside you need to be comfortable not using a western-style toilet on occasion. It is recommended that you carry travel size tissue or wet wipes with you. In Bayan-Olgii, each campsite will have at least one toilet tent with a western style sitting toilet and at least one shower tent. If there are more than 8 people we will add a second toilet tent and shower tent.

Laundry can be given to the hotel in UB, but the timing after your return from Bayan-Olgii may not work out, unless you are staying additional days in Mongolia.

Electronics

In UB and Olgii you will be able to charge your electronics in the hotel. Mongolians use two different types of plug sockets (E and C).

In Bayan-Olgii, there will be a generator set up every night so you can charge your electronic gear as needed. This will only run for a short time each night, as needed. So please come prepared with an ample supply of batteries and back-up battery chargers and solar chargers. Some recommendations....

Phone Calls / Email / WiFi

Contact your wireless service provider for information on using your cell phone coverage outside your home country.

Local Mongolian SIM cards can be used in most international phones. Please let us know if you would like a local number to access local data and phone networks. However, cell service will not be available for most of the time you are outside UB, even on local networks.

WiFi is almost everywhere in UB and almost nowhere outside UB. Plan ahead to be away from email and phone for most of the time in Bayan-Olgii.

Money

ATMs and credit cards are used everywhere in UB. You can use ATMs to withdraw Mongolian tugrik (MNT). Most stores and restaurants in UB also accept credit cards. Travelers checks are no longer accepted anywhere in Mongolia.

You can also bring USD to change into tugrik. If you plan to do this, please let your guide know if you need assistance in changing the USD and bring \$100 bills, as new as possible. They are quick to reject worn bills.

Remember to spend or change all your tugriks back into dollars when leaving the country, as they are not useful outside of Mongolia!

The exchange rate in Mongolia changes often but has been fairly stable at around 1 USD = 2,600 MNT. You can check the current rate here. www.khanbank.com/en/personal/currency-rate

Weather

We can expect temperatures from 20° to 60° F, and it can be very windy. Mongolia is landlocked in the middle of a huge continent; there is no ocean to help regulate the temperature. The temperature can change dramatically in a single day. Be prepared. Layers are very good. It could be 20° F outside and 80° F inside a ger.

Time Zone

Ulaanbaatar (UB) is 15 hours ahead of US Pacific Standard Time from March to November (during Daylight Savings Time), and 12 hours ahead of Eastern Standard Time. It is always 15 hours ahead of Arizona. Bayan-Olgii is one hour behind UB.

Tipping

Traditionally, Mongolians don't tip. However, Mongolians working in tourism-related fields (guides, drivers, cooks) are now accustomed to tips. Tips to your Mongolian guides, drivers, wranglers, cooks and host families are included in your trip cost. But additional support is also welcome if you feel inclined.

Fox Trip Specific Information

Tack

We will be riding in Wintec All Purpose synthetic saddles or something similar. You may want to bring a “seat saver” for the long days in the saddle. Bridles and reins are hand made of leather, and bits are a Mongolian style loose ring snaffle. Braided barrel reins (7') with trigger snaps are nice to have, and also make a nice gift to leave our horsemen.

Riding

Generally when we go out riding for the day, either hunting or just traveling, we will be spending many hours in the saddle and cover up to 15-20 miles. On hunting days we will be going up and down steep, rocky mountains. The Mongolian horses are extremely sure footed. When the opportunity presents itself, we will likely do some cantering and even some racing, so you need to be comfortable riding at speed. This is a lot of fun!
